You know that the Atheist at work is wrong when he starts spouting off. But can you prove it to yourself and to your coworkers? This book is designed to help you with the defense of the faith, by taking pretentious ideas and exposing the simple concepts behind them. Learn the basics of logic. Find out why "Could God build a rock so big that He couldn't lift it?" is a poor question. See the bad reasoning behind many atheistic attacks. The profound Christian faith has withstood attacks from all directions for centuries, including both physical and intellectual assaults. Find out why all such attacks are doomed to fail.
