Host Robin Cook

The explosive new thriller from *New York Times*–bestselling author and master of the medical thriller, Robin Cook.

Lynn Peirce, a fourth-year medical student at South Carolina’s Mason-Dixon University, thinks she has her life figured out. But when her otherwise healthy boyfriend, Carl, enters the hospital for routine surgery, her neatly ordered life is thrown into total chaos. Carl fails to return to consciousness after the procedure, and an MRI confirms brain death.

Devastated by Carl’s condition, Lynn searches for answers. Convinced there’s more to the story than what the authorities are willing to reveal, Lynn uses all her resources at Mason-Dixon—including her initially reluctant lab partner, Michael Pender—to hunt down evidence of medical error or malpractice.

What she uncovers, however, is far more disturbing. Hospitals associated with Middleton Healthcare, including the Mason-Dixon Medical Center, have unnervingly high rates of unexplained anesthetic complications and patients contracting serious and terminal illness in the wake of routine hospital admissions.

When Lynn and Michael begin to receive death threats, they know they’re into something bigger than either of them anticipated. They soon enter a desperate race against time for answers before shadowy forces behind Middleton Healthcare and their partner, Sidereal Pharmaceuticals, can put a stop to their efforts once and for all.
