When the opportunity of a lifetime arose in Miami, I leaped at the chance to take a coveted internship with award-winning Z News. If I could prove myself in one summer, the producer job could be mine, along with the new and secure life I've wanted for my son, Hayden. But now that I'm here, several obstacles stand in my way. My bitch of a roommate and younger sister, Alexandra, whose wild and extravagant lifestyle is a sore reminder of our entwined past. Vega, my lick-worthy and completely off-limits boss, who's a panty-melting distraction that I can't afford. A relationship with him could cost me my job and dreams. And then there's my ex-boyfriend and old business partner, Casper. Even after ten years apart, he's not ready to let me go, especially to someone like Vega. But an intriguing opportunity just arose that can solve all my problems—the Miami Hush Club. With a membership to the elite and underground secret society of the city's most powerful and influential, over time I can have anything my heart desires—the prestigious job, a killer car, a beautiful home, and even hotter-than-hot Vega. But most importantly, the club can gift me the perfect life for Hayden. There's only one problem. This particular opportunity of a lifetime comes at a steep price—one that could cost me not only my wrecked and tortured soul, but everyone I love.
