Peppa Pig and George count sunflowers, frogs, and other springtime delights from one to twenty.

Peppa and George would like to visit the ducks. They see one pond, but no ducks. Could the ducks be on an adventure? What lucky ducks! So Peppa and George go on an adventure, too. They jump in two muddy puddles, see three birds, and find four worms. But still no ducks—yet! As Peppa and George explore outside and count all the way to twenty, some visitors appear. How lucky they all are!
