**Sparks fly and emotions run hot in this interracial match as a super sexy and arrogant billionaire meets his equal in a fiery employee that has seen it all and will take no crap from anyone-including her boss.**

Calla wanted to like her job. For a single black mom with modest goals, it paid enough to get by, the work was challenging, and she generally got along with her co-workers, with the exception of Dr. Jacob Achter. The billionaire boss and founder of the company she worked for. His alpha male cold exterior and rude attitude set off a nerve in her. Trading bitter insults and barbs was considered the norm in the office environment they shared. So why is it that she wakes up in a heated fever every night thinking about his hard muscled body surrounding hers, tempting her with untold pleasures in her secret erotic dreams?

Contains questionable language, and explicit scenes.
