The Ticket That Exploded: The Restored Text

William S. Burroughs

The Ticket That Exploded: The Restored Text William S. Burroughs

As this new edition reveals, the cultural reach of *The Ticket That Exploded* has expanded with the viral logic of Burroughs's multimedia methods, recycling itself into our digital environment. A last chance antidote to the virus of lies spread by the ad men and con men of the Nova Mob, Burroughs's book is an outrageous hybrid of pulp science fiction, obscene experimental poetry, and manifesto for revolution—as fresh today as it ever has been. Edited from the original manuscripts by renowned Burroughs scholar Oliver Harris, this revised edition incorporates an introduction and appendices of never before seen materials.
