Losing the trial is just the beginning...

When criminal defense attorney Dylan Wood returns from a defeat in the courtroom, he thinks the worst is over. His client will go to prison, and Dylan will move on. But he learns the hard way that not every client is willing to accept the judgment of his peers. Suddenly Dylan has twenty-four hours to overturn the guilty verdict. If he fails, a ruthless, sexy woman who gives new meaning to the term femme fatale will go public with the dark secret of Dylan's own past, destroying his life and those of everyone he loves.

This time Dylan is defending himself, and he'll do whatever it takes to survive—even if it means breaking the laws he's sworn to uphold.

Web of Lies is a standalone thriller, set in the same Philadelphia legal world as the Jessie Black Legal Thriller series. (Although prosecutor Jessie Black appears in the story, she is not the main character.) If you like gritty crime stories, vividly-drawn characters, and surprising twists and turns, you'll love Larry A. Winters's page-turning story of justice gone crazy.
