Fantasy Football for Smart People: How to Cash in on the Future of the Game Jonathan Bales

Fantasy Football for Smart People: How to Cash in on the Future of the Game is the first book of its kind to break down the strategies used by the top fantasy football players. Frequently used as an in-season guide for traditional fantasy football owners, *How to Cash in on the Future of the Game* will greatly enhance your weekly projections and lineup decisions whether you play season-long fantasy football or participate in daily leagues. With input from a daily fantasy football "shark"--FFFC \$150,000 winner Peter Jennings--*How to Cash in on the Future of the Game* will show you how to manage your money, make projections, and create lineups so that you can finally treat your hobby as you always wanted--like an investment.
