Incensed by an economic policy that allows banks to create money out of nothing and collect undeserved interest on it, twenty-four year old Tyler Madison is on a mission to expose the clandestine operations of the U.S. Central Bank. After he is injured in a suspicious road accident, his reclusive mother steps out and realizes his life is in danger and the good guys and bad guys are not who they appear to be. When Tyler teams up with an aspiring presidential candidate, dark forces gather to shut them up...
