WITNESS IN HIDING

After exposing an illegal adoption ring, newly named "Kara Grant" is promised safety in Witness Protection. But someone has found her—and wants her dead. If only she could trust the handsome firefighter who catches her fleeing from a suspicious fire. Jake Steele seems to think she's guilty of burning her own home. But how can she tell him who she really is and what she's been through without bringing danger to the widowed single father's door? Yet with the criminals quickly closing in, taking such a risk might be her only chance at survival. Because the price she'll pay for her silence could be her life.
