**Literacy for the 21st Century: A Balanced Approach (6th Edition)** Gail E. Tompkins

**This title is also available packaged with the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0133388263.**

*Literacy for the 21st Century: A Balanced Approach* is a thoroughly applied text written to ensure that readers understand the current theories behind and the critical components of instruction for teaching reading and writing as complementary in the development of literacy. Readers are treated to a philosophical approach that not only balances the why, what, and how of teaching literacy but also offers practical pedagogy—teaching strategies and instructional procedures—that foster thoughtful teacher preparation and ensures alignment to the literacy goals teachers are responsible to teach. New text features model practices that support diverse populations, instruction driven by sound classroom assessment, and new literacy strategies that will help teachers transform literacy learning with digital devices. Integrating the best of what we know about teaching reading and writing, the Sixth Edition of this popular introductory text provides the balance teachers need to be successful in the classroom. The Enhanced Pearson eText features embedded video.

## **Improve mastery and retention with the Enhanced Pearson eText\***
