Quick! What comes to mind when I say the word “spider”? Are you creeped out or are you one of those spider-lovers? No matter how you may feel about these eight-legged arachnids, one thing is for certain - you are sure to learn a whole lot you didn't know about them before! Sixth book from the Amazing Animal Kingdom Series is designed and jam-packed with fun facts, humor, and conversational-toned writing that will appeal to children and open their eyes to the incredible world of spiders!

- How does a spider spin her web?
- Is spider silk used to make clothing?
- What is the one continent in the world where no spiders can be found?
- What do you call a baby spider?
- How many eggs can a spider lay at one time?
- What is special and unique about the diving bell spider?

Get answers to all these questions and more within the fun-filled pages of SPIDERS: Fun Facts and Amazing Photos of Animals in Nature just for kids, which explores spider families, spider colonies, special spider skills, the various types of spiders, and so much more! Impress your family and friends with all that you've learned - and who knows? You just may decide you'd like to have a pet spider, after all!

Scroll up, GRAB A COPY TODAY and curl up with a good story and your child today! Don't miss out on an opportunity to fortify your child's mind as well as their hearts.
