The Only Living Boy #1: Prisoner of the Patchwork Planet David Gallaher

Nominated for three Harvey Awards, THE ONLY LIVING BOY tells the story of 12-year old Erik Farrell, who runs away from home only to find himself without his memory, stranded on a patchwork planet with danger lurking around every corner. Every day is a struggle to survive. Erik quickly allies himself with Morgan, a mermaid warrior and Thea, a teenage princess from a mysterious insect race. He'll need their help to escape the Dreaded Lord Baalikalr and the evil Doctor Once and maybe, one day, find his way back home.

The brainchild of Harvey award-winning creators Gallaher and Ellis, the series has received both critical and fan acclaim since its launch. Mark Waid (DAREDEVIL, KINGDOM COME) said "Paul Pope and Jack Kirby never had a chance to work together, but if they had, it would be only slightly less awesome than this." Mental Floss called it "an all-ages adventure book inspired by pulp serials, Saturday morning cartoons, Jack Kirby, and even the music of Paul Simon."

A delightful read for fans of HOW TO TRAIN YOUR DRAGON, AMULET, and BONE.
