Sasha Campbell

Confessions Sasha Campbell

In this dazzling debut, Sasha Campbell delivers a sexy, suspenseful tale of two women whose marriages will be put to the ultimate test. . .

For almost ten years, radio talk show host Nikki Truth has shared life's ups and downs with her husband Donovan while doling out in-your-face relationship advice to her listeners. But lately it seems the good times in her own relationship--including the sex--are few and far between. Then she meets widower Kenyon Monroe, whose sizzling touch is too tempting to resist. But not everyone is under Kenyon's spell. . .

Nikki's best friend, TrINETTE Montgomery, can't deny Kenyon is hot, but she never trusts a man who seems too good to be true. And she should know. Married to a successful CFO who travels a lot, TrINETTE likes to indulge in all of life's pleasures--including the fine men of St. Louis. But when her game goes too far, TrINETTE stands to lose everything. . .

"These characters leap off the page and make you want to join in."

--Lutishia Lovely, author of *Heaven Forbid*

From reader reviews:

Maxine Elam:

The particular book Confessions has a lot details on it. So when you check out this book you can get a lot of help. The book was written by the very famous author. The writer makes some research previous to write this book. This book very easy to read you can get the point easily after scanning this book.

Dan Flood:

Why? Because this Confessions is an unordinary book that the inside of the book waiting for you to snap that but latter it will shock you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking means. So , still want to hesitate having that book? If I were you I will go to the e-book store hurriedly.

John Lockett:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book had been rare? Why so many question for the book? But just about any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but in addition novel and Confessions or maybe others sources were given understanding for you. After you know how the truly great a book, you feel need to read more and more. Science e-book was created for teacher or perhaps students especially. Those guides are helping them to bring their knowledge. In different case, beside science publication, any other book likes Confessions to make your spare time considerably more colorful. Many types of book like here.

David Gonzales:

Some individuals said that they feel bored stiff when they reading a book. They are directly felt the idea when they get a half regions of the book. You can choose often the book Confessions to make your current reading is interesting. Your own skill of reading talent is developing when you similar to reading. Try to choose very simple book to make you enjoy to read it and mingle the idea about book and studying especially. It is to be very first opinion for you to like to open up a book and learn it. Beside that the e-book Confessions can to be your friend when you're experience alone and confuse with what must you're doing of these time.
