From Book 1: Damien “D’Rey” Reynolds is the lead singer of the hottest new band in the country. He’s talented, he’s gorgeous, and he’s spinning completely out of control. His dark past is threatening to ruin everything he’s worked so hard for. When a story leaked to the press has the power to clean up his image, he doesn’t see another way out.

Mia Lee has spent the past year forgetting about the week that changed her life forever. A chance encounter brings her face to face with the man who has the power to break her heart all over again. She wants the fairytale, but Damien Reynolds is no prince. How far is she willing to go to live out her dream of the perfect relationship?

Being famous comes with a price. The paparazzi are hungry, late nights are filled with women lining up waiting for their chance, and danger lurks around the corner. Sometimes the best security detail in the world can’t change what’s already been set in motion.

Losing what’s most important has the power to shatter the future. In a world full of darkness, can Damien chase away his demons before it’s too late? After a loss that rocks him to the core, can he take a chance on love again? Or will his past be what truly defines him?
