Now I Lay Me Down to Sleep (Baby Blessings)

This book is a wonderful addition to any baby or toddler's personal library! The illustrations are bright and colorful, with shiny metallic cutouts on every page. The text is loving and simple with a bible verse & reference for each 'prayer'. This book can be read cover to cover OR you can choose to read all the prayers in any order OR just pick one prayer to be read. I like that there is much flexibility since this allows the book to 'grow' with a little one.
