Opposites do more than just attract in TONI ALEO's latest Nashville Assassins novel about a very bad boy and the good girl he can't resist.

The instant Piper Allen sees Erik Titov, she wants him--wants his rock-hard body, sure, but the strength and mystery that lie behind that superstar hockey jock demeanor, too. So when he sidles up to her at a bar and slinks his arm around her waist, she's lost. What follows is the wildest night of her life . . . followed by inevitable heartbreak the next morning. And then, a few weeks later, a very big surprise: two blue lines on a pregnancy test.

Only a check to the head could make Erik fall for a nice girl like Piper. But since their crazy-sexy night together, he's been trying to forget about her alluring body by falling into bed with every woman in Nashville, and it's not working. So when Piper shows up at his house with a baby-bomb to drop, it doesn't take much for Erik to suggest the nuclear option: marriage. While it's supposed to be all for show, the second they say "I do," the ice between them starts to melt into sizzling steam.
