Business and Society: Stakeholders Ethics Public Policy 15e by Lawrence and Weber has continued through several successive author teams to be the market-leader in its field. This new edition highlights why government regulation is sometimes required as well as new models of business-community collaboration. The authors believe that businesses have social (as well as economic) responsibilities to society; that business and government both have important roles to play in the modern economy; and that ethics and integrity are essential to personal fulfillment and to business success. In addition this textbook has long been popular with students because of its lively writing up-to-date examples and clear explanations of theory.
