This was it! A done deal! Susan Shaughnessy was down on her luck, frequently unemployed and mouthy as all get out, but it seemed her luck was about to change. She just signed a contract with Sugar Babies, Inc., an exclusive matchmaking company, and for the next year she would be under the watchful eye of one Marcus McCarthy, award-winning author and spanker extraordinaire. His spanking fetish was no surprise; Sue knew when she signed the contract what fired Marcus' passion but he was also the sexiest piece of eye-candy she'd seen in a long time. Marcus kept her on a slow burn with damp panties since the moment they'd met. At some point today, Susan intended to find out if he was truly the man he appeared to be and if he was, she would take the monthly allowance they agreed upon and smile all the way to the bank!

Kelsey Reed was shaking in her shoes as she got into the limo that would take her to her new home, but at least she had shoes, she thought glancing at Susan's bare feet. Marcus threatened to confiscate all Susan's 'death-defying heels' but Kelsey was still surprised when he actually removed the pair Sue wore today and handed them to Sam Barringer, the owner of Sugar Babies, before getting in the car.

Thank goodness Ty, Kelsey's match and Marcus' twin brother, wasn't that strict. Snuggling closer she sighed. Ty was sweet and he smelled good, a far cry from the last man who'd tried to put his hands on her. As a Veterinarian, Ty was naturally gentle and caring. If he didn't love her, that was okay. At least for the next year she would have a roof over her head and someone to hold her when she was scared. With her generous allowance, her days of sleeping in the back room at Fat Rusty's Diner with a knife under her pillow were over, no matter what happened.
