McCartney Solo: See You Next Time Mark Bowen

See You Next Time: McCartney Solo' tells the story of the post-Beatles career of one of the biggest names in pop music. In a track-by-track analysis Mark Bowen takes a detailed look at the Wings and solo years through to the latest Fireman release. Although the beginnings of Wings were somewhat shambolic, by the mid-1970s Paul had maintained his position as a global superstar. Often chastised for his overt commerciality, his less familiar and experimental output is also examined. Even in the twilight of his career Paul has found new creative avenues to explore and his ability as a songwriter remains as strong as ever. Mark Bowen is a professional journalist and life-long Beatles fan.
