While Men Slept: A Biblical and Historical Account of the New Universal Christianity Kerby F. Fannin

This book provides a biblically and historically documented account of the progression of Christian theology as it moved away from a belief in objective truth and toward a belief in subjective truth. As such, it is moving the world toward a belief in Universalism. This book will help the discerning Christian see how Satan is trying to accomplish his centuries-old plan to deceive the whole world into denying the saving sacrifice of Jesus Christ on the cross. To accomplish the plan, Satan is using the Spirit of Error to subtly counterfeit the Word and Spirit of God to lead the world into a new universal Christianity.
