Ballistic's d'artiste series are world-renowned digital art tutorial books. In *Matte Painting 3*, learn award-winning techniques from the masters of game and film matte painting: David Luong, Damien Mace, and Milan Schere.

The three matte painting masters each walk you through their personal method of creating the types of images that have them at the top of their game. *D'artiste's* unique format offers a timeless keepsake as it investigates in visual and written form, the creative process, rather than just a specific software "how to."

Together the three master artists can boast of dozens of Hollywood blockbusters and hit games, such as *World of Warcraft* and *Avatar*. They bring this wealth of experience to *Matte Painting 3*, which covers everything from concept to painting and 3D techniques and tricks to the stunning completion of complex environments.

Matte painting is an area where vision and talent are combined to great effect—this book shows how to reach the highest level with guidance both visually and written by those already at the top of their game. *Matte Painting 3* is an essential guide for any professional or developing artist to help take them to the next level.

Matte Painting 3 has been produced due to the popularity of *Matte Painting 1* and *2*. Get the latest in this series, complete your set of d'artiste books, and become the best you can be.
