Modern Industrial Organization (4th Edition) Dennis W. Carlton, Jeffrey M. Perloff

Written by two of the field's most respected researchers, Modern Industrial Organization goes beyond the traditional structure-conduct-performance framework by using the latest advances in microeconomic theory, including transaction cost analysis, game theory, contestability, and information economics. Fully updated to reflect new trends and topics, the Fourth Edition focuses on providing students with a clear, unified structure for analyzing theories and empirical evidence about the organization of firms and industries.
