## **Standing Stones** Beth Camp

In 19th Century northern Scotland, Mac McDonnell's traditional way of life is challenged when Lord Gordon lays claim to their island home and threatens to replace farmers and fishermen with sheep. Mac leads a protest, but when evictions turn violent, Mac must decide what he is willing to risk -- to protect his family, his sweetheart, Deidre, and his livelihood. Set in 19th Century northern Scotland during the time of the Clearances, *Standing Stones* won an award for historical fiction and was dubbed "a very promising work" by the Pacific Northwest Writers Association.

### From reader reviews:

#### **Timothy Brown:**

Nowadays reading books be a little more than want or need but also turn into a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The data you get based on what kind of book you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining such as comic or novel. The actual Standing Stones is kind of reserve which is giving the reader unstable experience.

#### **Daniel Padilla:**

The reserve with title Standing Stones has a lot of information that you can find out it. You can get a lot of advantage after read this book. This kind of book exist new knowledge the information that exist in this guide represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This book will bring you with new era of the globalization. You can read the e-book on your own smart phone, so you can read that anywhere you want.

#### **Nancy Stever:**

Your reading 6th sense will not betray a person, why because this Standing Stones e-book written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written in good manner for you, dripping every ideas and creating skill only for eliminate your personal hunger then you still hesitation Standing Stones as good book not only by the cover but also with the content. This is one reserve that can break don't assess book by its cover, so do you still needing another sixth sense to pick this specific!?! Oh come on your examining sixth sense already alerted you so why you have to listening to yet another sixth sense.

#### **Lyndsey Lafferty:**

As we know that book is essential thing to add our information for everything. By a publication we can know everything we wish. A book is a range of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This book Standing Stones was filled in relation to science. Spend your time to add your knowledge about your science competence. Some people has diverse feel when they reading some sort of book. If you know how big benefit of a book, you can truly feel enjoy to read a publication. In the modern era like at this point, many ways to get book which you wanted.
