**Love after Marriage** Bhagya Chandra  
Revised and re-edited, September 2014

Compassionate and deeply emotional, 'Love after Marriage' is a contemporary love story about Deepak and Roshni, a young couple flung together in a traditional arranged marriage. The story authenticates the concept of an arranged marriage, which has prevailed in India for several hundred years. It centers on the conviction that husband and wife, strangers at the time of marriage, can develop a stronger love if they are honest and committed to each other.

In Love after Marriage, Deepak and Roshni embark on the timeless journey of marriage, only to discover that it's not quite as simple as they expected. What follows is an exploration of understanding and compromise, weaving a tapestry of love and affection that lasts longer and grows stronger over time.
