Stormy Surrender:

Visit New Hope, the small town with plenty of southern charm!

Sometimes the life you planned isn't the one you get to live. Sometimes the pain of the past overshadows the future. And sometimes to start over you have to go back to where it all began. That's how it was for Joe Masters. That's how he ended up back in New Hope. And that's why he was in his thirties and had nothing to show for his life. He needed a complete overhaul, just like his father's old house. Instead of a fast track, he had slowed down and was on a ten year plan. These days that was more his speed. And as much as he tried to fight the inevitable, he was learning to accept and surrender.

Martha had weathered her fair share of storms in Vermont, was accustomed to the cold, both the chill in the air and the cold shoulder in her marriage, but after the miscarriage she felt like she would never get warm again. So she did the research from the laptop while sitting in front of the fireplace. She knew what she needed when she Googled 'hope,' she just never imagined that it would bring her to New Hope, South Carolina. She never imagined that her husband would trick her into leaving and never follow. She never imagined that a southern storm with all its force and fury could be so destructive. But after the storm, the land is washed clean. It's perfect for a fresh start, a clean slate, and a new love.

Tempest Torn

Book Two of the New Hope Series full of small town charm and southern romance

A night of passion. A raging fire. A home destroyed.

The sun returned and Joey and Marti felt they had turned a corner in their relationship. Only when they turned that corner, they ran right into the insurance adjustor, Finn. She wasn't just any woman, though. She was the one woman Joey always believed he'd spend the rest of his life with, but they couldn't make it work. Soon it was obvious that she didn't just want to adjust the value of the house, but remind Joey of the value of their relationship, and adjust his attitude about the future.

Suddenly, Joey struggles to choose between two women...one who has never and would never hurt him and one that his heart can't let go despite the hurt. He's not the only one with a choice to make. Never again will Marti allow anyone to make her question her own worth.

A tempest brews. A man is torn. A woman refuses to wait.

Under Umbrellas

Book Three of the New Hope Series, set in a small charming southern town

It has been six months since Marti agreed to marry Joey. Despite her history, she's having a healthy pregnancy. They finally have her house to themselves and Joey has finished her To Do list. Life should be perfect, but it's not. Joey is pressuring Marti to make it legal before the baby arrives, which is proving impossible since Blaine refuses to let go. Their situation is further complicated when Finn refuses to go away. Add in a town divided, a legacy to uphold, and a particularly vicious hurricane season, and then hang on.

Because life is full of storms and love means sharing an umbrella.
