## **Owning Corey** Maris Black

When introverted doctor Ben Hardy's high maintenance girlfriend wants to introduce a little more kink into their love life, he doesn't expect it to come in the form of the hunky new EMT who just moved to Blackwood. Ben's not gay, but *DAMN!* He can definitely see why all the women turn to mush when the new guy's around. Baby blue eyes, body of an underwear model...

The prospect of being naked in the same room with him is horrifying. So why the hell is Ben actually considering it?

Corey Butler desperately needs to leave his shady past behind, and the microscopic town of Blackwood is just the place to do it. No drama, no danger, no sleeping under bridges... What he *doesn't* need is a huge crush on someone who's completely out of his league. When Dr. Hardy's gorgeous girlfriend propositions him for a threesome, he knows the smart thing would be to say no. Of course it would.

But then Corey's never been known for making smart decisions.
