Pretenders to the Throne: A Cautionary Tale

William J. C. Amend Jr.

Pretenders to the Throne: A Cautionary Tale William J. C. Amend Jr.

The Presidency of the United States has often been held by a handful of families - the Adamses, Roosevelts among others. By this, it might seem that Americans have subconsciously long wished for a king. This novel develops the notion that we have always had one but have not known it . . . yet. In 2018, cataclysmic problems threaten America. At this juncture, a clandestine society formed by Federalists in 1795 (known as PATRI) realizes that desperate measures are needed. It allies itself with European royalists to elect a third party president. The tumultuous outcome proves more than Americans had bargained for.
