The auspicious day of Vijaya Dasami, in 1953, opened a golden chapter in the history of mankind, for that was the day chosen by Bhagawan Sri Sathya Sai Baba for His first ever divine discourse in public.

The flow of divine discourses, which started on that auspicious day out of His immense compassion for the well-being and harmony of humanity, has continued unabated even after five decades. During this period, Bhagawan has delivered hundreds of discourses in various places, to a variety of audiences.

His benevolent acts for the humanity at large are also unparalleled. His noble mother made three requests to Him, namely to provide drinking water, a school, and a hospital for the village of Puttaparthi. Bhagawan has commissioned mammoth drinking water projects, benefitting hundreds of villages, towns, and even the city of Chennai. He has also built schools, colleges, super specialty hospitals, and even an outstanding university, and constructed thousands of houses to cyclone-hit people.

This priceless inaugural volume in Sathya Sai Speaks contains thirty three divine discourses, of which five are for the students and authorities, giving invaluable guidance. There are also five discourses addressed to the residents of different villages, advising them on the value of unity and brotherhood.
