The Road to Hell David Pawson

Hell is the most offensive and least acceptable of all Christian doctrines. We try to ignore it but it won't go away. Better to face the truth, even if it hurts. I am convinced that the recovery of this neglected truth is vital to the health of Christ's body. David Pawson Many preachers are reluctant to explain what the Bible teaches about hell. David Pawson sets out clearly the teaching of the New Testament on this vital topic. The book includes a section of Scripture Studies which are useful for personal and group study and to equip preachers. Most of Christ's teaching on this uncomfortable subject was addressed to his followers, yet it hardly features in sermons today. Challenging the modern alternatives of liberal universalism and evangelical annihilationism, David Pawson presents the traditional concept of endless torment as soundly biblical, illustrating his argument with in-depth Scripture studies on controversial passages. Heaven is also a reality, he affirms, but it is hell which is being overlooked.
