## Truckers: True Gay Erotica

Hard-driving truckers climb out of their big rigs and get down to business in this raw, lusty collection. Truckers have long been ingrained in the American popular imagination, celebrated in movies like *Smokey and the Bandit* and many a country-western ballad. They're also a favorite queer sexual icon, joining such types as sailors, cops, firemen, and other guys who "service society." For some gay men, life on the road conjures up images of hairy, sweaty, blue-collar joes traveling from town to town in their big 18-wheelers, pulling into all-night diners, gas stations, cheap motels, and highway rest stops for food, rest, companionship — and sex. These erotic encounters are the subject of this collection of trucker tales. Editor Johnny Hansen has assembled 19 true stories of men who deliver much more than what's back in the trailer. In one story, a four-way pileup in a highway men's room gives new meaning to the word "convoy." In another, a 19-year-old experiences first love — and lust — on a cross-country tour with a strapping Mack driver. In this one-of-a-kind collection, "good buddies" from across the U.S. reveal their hottest experiences on — and on the side of — the road.
