Cowboy Crazy Joanne Kennedy

Sparks fly when a sexy cowboy collides with a determined city girl out in a West filled with quirky characters and sizzling romance. Acclaimed for delivering "a fresh take on the traditional contemporary Western," Joanne Kennedy's books might just be your next great discovery!

From stable to boardroom...

Sarah Landon's Ivy League scholarship transforms her from a wide-eyed country girl into a poised professional. Until she's assigned to do damage control with the boss's rebellious brother Lane, who's the burr in everybody's saddle. He's determined to save his community from oil drilling, and she's not going back to the ranch she left forever. Spurs will shine in this saucy romp about ranchers and roots, redemption and second chances.
