Being one of the boys isn't as much fun as being all girl... Kyla MacIntosh is still trying to be "one of the boys". Growing up with two brothers and their neighbors, the four hockey playing Heller brothers, she always wanted to be one of them. Now she's trying to make partner at her old boys' school law firm and burning herself out doing it. She doesn't have time for a two-family reunion at the lake, but guilt makes her go. Pro hockey player Tag Heller is back in his home city of Winnipeg after a crappy season that culminated in the team being sold and moved from Phoenix to Winnipeg. As the "home town hero", the team is putting pressure on him to promote them and make this a positive move for the other players, the fans, the entire National Hockey League. A break for a week at the lake sounds like heaven. Growing up together, Kyla was always like a little sister to Tag, until one summer when things changed from sibling teasing to sexual tension. Now, Tag's a little cynical about women and Kyla has no patience for men who can't handle her workaholic lifestyle. Why not explore the attraction that's still there between them and have a hot summer week at the lake?
