To everyone else—welcome to New Orleans—to be more specific—welcome to the Ninth Ward. They Don't Mind Dying is an intense psychological thriller that chronicles in explicit detail, the inner workings of an inner city drug organization from its violent rise to power on through to its ultimate demise. Forced out of his home and onto the streets by his aunt at the age of fifteen, Ben Holland meets two youths, Manny and Oscar, who would change his life forever when they introduce him to a life of crime. They Don't Mind Dying tells the story of Ben Holland and how he and his friends rose to the top of the drug game and the violent lifestyle the gang's members had become accustomed to. When events within the organization begin to unravel the gang's solidarity, however, no amount of money in their possession, nor the police on the crew's payroll, could stop the wheels of retribution from rolling in their direction. Ben Holland and his crew fight to remain atop the city's drug trade, but the price of success is starting to exceed the effort; retirement is looking more and more appealing. Can Ben Holland and his crew stay alive long enough to exit the game? Or will fate have a say so in matters? They Don't Mind Dying is the first installment in The Holland Family Saga, a saga that will chronicle the Holland Family's history along with the people who would shape their lives over many years. Starting with They Don't Mind Dying, the creed in which Ben Holland and his cohorts live by throughout their violent reign, and traversing forward, the saga will reveal over time, the Holland Family's struggles, injustices and inner demons as their lives come full circle and many secrets are revealed. The Holland Family Saga is more than fiction...It is real life in print.
