Resistant

Michael Palmer

Resistant Michael Palmer

They kill without conscience or remorse. They are the most ruthless enemy we have ever faced. And they are one millionth our size...Prepare to be shocked-and mesmerized-by the latest novel of thrilling medical suspense from *New York Times* bestselling author Michael Palmer.

Dr. Lou Welcome never could have imagined what a sports injury would mean for his best friend, Cap Duncan. Surgeons manage to save Cap's shattered leg, but the open wound is the perfect breeding ground for a deadly microbial invader committed to eating Cap alive from the inside out. Meanwhile, hundreds of miles away, a teenaged girl is fighting for her life against the same microbe. The germ is resistant to any known antibiotic-and the government scientist tasked with finding a cure has been kidnapped. And time has already run out...

"Of all [Palmer's] novels, this one has the most ambitious plot...and one of the best action scenes to ever appear in a medical thriller."-Associated Press

Turning to the Centers for Disease Control for help, Lou uncovers a link to the Society of One Hundred Neighbors, a terrorist organization whose members are holding our own health institutions hostage. Like the microbe itself, One Hundred Neighbors will stop at nothing to further its agenda. Now, from the hospital corridors where anything you touch can mean your end to the top corridors of domestic power in this war against humanity, Lou must put an end to a terrifying epidemic-if it doesn't kill him first.

"When it comes to inventive plots for medical thrillers, nobody does it better than Michael Palmer."-*Huffington Post*

From reader reviews:

John Guenther:

What do you think of book? It is just for students because they are still students or the item for all people in the world, what the best subject for that? Simply you can be answered for that issue above. Every person has various personality and hobby for each and every other. Don't to be pushed someone or something that they don't want do that. You must know how great and important the book Resistant. All type of book could you see on many options. You can look for the internet sources or other social media.

Wayne Queen:

In this 21st hundred years, people become competitive in most way. By being competitive now, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice by surrounding. One thing that at times many people have underestimated that for a while is reading. That's why, by reading a guide your ability to survive boost then having chance to stay than other is high. To suit your needs who want to start reading a new book, we give you that Resistant book as beginning and daily reading book. Why, because this book is greater than just a book.

Kayla Congdon:

Your reading sixth sense will not betray an individual, why because this Resistant reserve written by well-known writer whose to say well how to make book that may be understand by anyone who else read the book. Written with good manner for you, leaking every ideas and writing skill only for eliminate your personal hunger then you still skepticism Resistant as good book not simply by the cover but also from the content. This is one publication that can break don't assess book by its protect, so do you still needing an additional sixth sense to pick this!? Oh come on your studying sixth sense already said so why you have to listening to an additional sixth sense.

Frankie Lampkins:

Some individuals said that they feel uninterested when they reading a guide. They are directly felt it when they get a half elements of the book. You can choose often the book Resistant to make your own personal reading is interesting. Your current skill of reading ability is developing when you just like reading. Try to choose straightforward book to make you enjoy to learn it and mingle the impression about book and studying especially. It is to be very first opinion for you to like to open up a book and read it. Beside that the publication Resistant can to be your brand new friend when you're experience alone and confuse with what must you're doing of the time.
