The Good Men Project: Real Stories from the Front Lines of Modern Manhood Tom Matlack *editor*, James Houghton *editor*, Larry Bean *editor*

The Good Men Project: Real Stories from the Front Lines of Modern Manhood is more than a book; it is the centerpiece of a national discussion about what manhood means today. Thirty-one essays by a broad range of men--rich, poor, black, white, gay, straight, urban, rural, famous, ordinary--describe the challenges, obstacles, triumphs, failures, and life-changing moments that collectively help define what it means to be a man in America. Matt Gannon's documentary *The Good Men Project: Real Stories from the Front Lines of Modern Manhood* accompanies the book. The film mixes riveting footage and breathtaking photography with candid narration from ten disparate men describing the experiences that have defined their lives. Proceeds from sales of the book and the DVD will benefit The Good Men Foundation, a not-for-profit 501(c)(3) corporation supporting organizations that provide educational, social, financial, or legal support to men and boys at risk.
