Buried Dreams Tim Cahill

This account examines the case of John Wayne Gacy, a successful and respected member of the community who cheered up sick children in hospital dressed as a clown, but who was also one of the most prolific serial killers in criminal history. Inside his scrupulously tidy suburban home, in 1978 police found the remains of 29 teenaged boys, all brutally tortured, violated and strangled. The author explores the complex personality, compulsions, inadequacies and torments of a profoundly disturbed human being.
