**Christianity After Religion: The End of Church and the Birth of a New Spiritual Awakening** Diana Butler Bass

Diana Butler Bass, one of contemporary Christianity's leading trend-spotters, exposes how the failings of the church today are giving rise to a new "spiritual but not religious" movement. Using evidence from the latest national polls and from her own cutting-edge research, Bass, the visionary author of *A People's History of Christianity*, continues the conversation began in books like Brian D. McLaren's *A New Kind of Christianity* and Harvey Cox's *The Future of Faith*, examining the connections—and the divisions—between theology, practice, and community that Christians experience today. Bass's clearly worded, powerful, and probing *Christianity After Religion* is required reading for anyone invested in the future of Christianity.
