Politics and Morality

Politics and Morality

A timely contribution from prominent philosophers to the public debate about morality and politics, exploring the fundamental problem of their relation and a string of specific issues. Is political morality more permissive of deception, manipulation and violence? Is there room for morality in international relations? Is patriotism a virtue? What are the moral costs of policies that keep out most of those seeking immigration or asylum? May we use torture in the 'war on terror'? What are the moral hazards of military obedience?
