## **Shorts** Derrick Watts

One of my most comforting childhood memories is being around my dad as he tinkered in his garage listening to the AM radio. Whether classic country or a sport, he spent a lot of time in his workshop listening to an unrefined sound from a small box...the radio's only speaker was better at broadcasting static than the program on the manual AM tuner dial...Isn't this scenario a lot like trying to listen to God? The pure noise of the world...creates a static in our 'AM' spiritual mind...Job 4:16 tells us how God speaks to us...God wants us to listen... (Devotional Short, Week 33)

Author Derrick Watts has compiled a collection of his writings into weekly devotionals, which he calls 'Devotional Shorts.' Devotionals help you think of God's word daily, recall concepts learned, and assist in digging for more truth. The result is an increased awareness that you are always in His presence, which can transform your mind and reform your heart. Derrick uses a variety of styles to convey his message, ranging from personal experiences to fictional stories and humor, which all serve as a springboard for a biblical teaching.
