Life is full of uncertainty, but what happens when a what-if from your past suddenly makes its way into your present? Kaitlyn Thomas, a weary wife and mother, is taking a much needed getaway with her friends. All she wants to do is relax and rejuvenate on her weekend escape to the beach. Having a drink at the bar with the girls sounds like the perfect way to unwind. That is, until Kaitlyn hears a familiar voice from the stage that shakes her to her core. She grapples with her memory until Chris King, the lead singer of the band, walks up to her and eliminates the questions in her mind. Chris King...the misunderstood bad boy who once saved her in ways that no one else could. Kaitlyn's friends beg to know the story behind this mystery man. Forced to revisit a painful past from which she has spent years trying to heal, Kaitlyn's recollection of Chris awakens intense feelings that she has kept buried deep inside her heart. Has time changed him, or is he still the same person Kaitlyn fell in love with so many years ago? Marriage vows are sacred, but temptation is a powerful thing. Seeing Chris again has caused a war between her head and her heart. In the end, which one will win the battle? Facing a difficult decision, Kaitlyn just wants to be sure of one thing when she walks away from this weekend—no regrets. ***This book is intended for readers 17+ due to some language and mature themes.
