Time, Culture and Identity: An Interpretative Archaeology (Material Cultures)

Julian Thomas

Time, Culture and Identity: An Interpretative Archaeology (Material Cultures) Julian Thomas

Time, Culture and Identity questions the modern western distinctions between:

- * nature and culture
- * mind and body
- * object and subject.

Drawing on the philosophy of Martin Heidegger, Julian Thomas develops a way of writing about the past in which time is seen as central to the emergence of the identities of people and objects.
