## **Advanced Practice Nursing: Emphasizing Common Roles** Dr Joan Stanley

Prepare your graduate students to take leadership roles in the future of Advanced Practice Nursing. The author addresses the major issues facing Advanced Practice Nursing today from a collective perspective that begins with its historical roots and progresses to contemporary concerns and trends. This approach enables APNs to understand the practice challenges facing them today and think about new ways of effecting changes to health policy that will ensure patients receive quality, cost-effective care, and that recognize APNs as full participants.
