**Biblical Characters and the Enneagram: Images of Transformation** Diane Tolomeo, Pearl Gervais, Remi J. De Roo

In what has been described as a 'breakthrough book,' three Vancouver Island authors have produced a volume that will be keenly read by students of both personality and religion.

Biblical Characters and the Enneagram: Images of Transformation explores the personalities of a whole range of Biblical figures through the lens of the Enneagram, an ancient system for understanding personality. The result is an exploration in self-awareness and a fresh look at the many compelling and insightful stories and people found in the Bible.

In the book, 18 biblical 'characters' are presented as models of transformation, personal growth and spiritual development, showing how the habitual masks we have all unconsciously learned to wear can be revealed as pale and unsatisfactory imitations of our original inner beauty. The book shows how these stories of transformation can lead us to embrace our real selves and discard the sham substitutes of our fabricated personalities.
