Haven, a community of misfits and geniuses, is one of the few safe places remaining in a world on fire. Run by the Ghost Ops team, three dangerous, fearless, soldiers who were once betrayed and disgraced will fiercely protect their country and the women they adore from a deadly plague that has turned people into violent monsters.

Beautiful brilliant Dr. Sophie Daniels is trapped in her home with the only antidote to the plague. Former Ghost Ops elite operative Jon Ryan is sent on a suicide rescue mission, brutally fighting his way to her side. Together they must cross treacherous terrain before they can return to Haven. But for them to succeed, Sophie must trust this tormented soul and place her life, and her heart, in his hands.

Years of combat training has prepared Jon for this moment. Unafraid, nothing is too dangerous now that he's found Sophie. He will risk everything, fight anyone, for her and a future filled with hope and love.
