**Children Who Kill: The Stories of 7 Children Convicted of Killing Their Parents (True Crime Series Book 2)** John Summit

This book tells 7 horrific true crime stories of parricide, the killing of one's parent(s).

Until the last 25 years or so, no one even knew what the word parricide meant. Even today, parricide remains an area that has had very little research conducted to understand the reasons behind what would make a child commit such a crime.

In this thought provoking, thrilling true crime book you will get an insight and understanding of this topic that most people will never receive or thankfully, never experience.

This is book # 2 in the True Crime Series by John Summit, and we invite you to read this one as well as the other true crime murder stories in this series.
