Book one in the Shielders Chronicles

Mortal Shielder Hope is good at her job. But that won't help her when it comes to dealing with lethally beautiful Alexander, a half angel half demon and her chosen mate. She doesn't know if she's doing the right thing by challenging him in his fortress—she only knows she cannot fail.

Failure means death. Failure means facing Prince Sitri, an ancient being without an ounce of conscience. Failure means condemning the love of her life to an eternity of darkness.

A being as old as time, Alexander recognizes Hope as his key to survival. Once possessed by her dark passion, he also realizes she's the key to his heart and soul. But as Alex fights to keep Hope safe from the denizens of Hell, he must also face the violent truths of his past.

Time to put this centuries-old nightmare to rest.
