Praise works wonders! If you have prayed, fasted, done all you know to do but still expecting results, then switch to praise. Praise is a spiritual dynamite. It is a spiritual force that brings God into your circumstances. Praise will bring you deliverance, it will win your battles, it will promote you, and will bring you your long awaited miracles.

Answers to prayers may be delayed, like in Daniel's case (Daniel 10:13); but praise will break any barrier, and speed up your answers.

Praise Works! expatiates on the meaning, ways and benefits of praise, as well as touching on other praise topics to help you understand the power of praise, and apply it in your personal life.
