Having lived with pets all my life, I was a bit astonished that anyone might need a book to help come up with a name for a pet (much less, write such a book!). And yet, here's an entertaining and informative book with lots of historical tidbits, wonderful stories about how people came up with their own pets' names, a good bit of common-sense pet care information, dos and don'ts, and great pictures of people and their diverse animal friends. All in all, a lot of fun for anyone who enjoys pets of any kind.
