Are you an Apple TV owner looking to get the most out of your streaming media device? Perhaps you're looking for solutions to certain questions you've had about the device like how to use AirPlay, how to find channels, or other tips and tricks? Well, this guide is here to help you with all those questions and plenty of great tips to truly unleash the power of your Apple TV!

Hi, I'm Shelby Johnson, a technology enthusiast and an Apple TV owner. I love the Apple TV streaming media player for its highly-functional entertainment value. I've used it and figured out many special tips and tricks to help you get the most out of your streaming media device.

I've developed this guide book to help you learn more about your device, including tips and tricks to really unlock and unleash the possibilities of your Apple TV device.

Here's just some of the great info in this book:

- Getting started with Apple TV
- Pre-setup and setup help
- Basics, tips & tricks
- Syncing with iTunes & streaming music
- How to use Photostreams
- How to find Apple TV content for free and to purchase
- How to use Amazon Instant Video and other streaming media
- A look at some of the best accessories for Apple TV

You'll learn all of the above and more in this book which features screenshots straight from Apple TV and step-by-step instructions on the processes involved in unleashing more powerful features from the device! This is a must-have eBook to get for any Apple TV user who wants to take their device to the next level!

****Please note this book is for owners of the American version of the Apple TV sold in the United States and may not apply to versions of the device in other countries.****
